STUDENT STATEMENT

Responsibilities during 24-Month OPT

Name: _____ Student ID: _____ Date of Birth: _____

Address: _____

I confirm that I have been informed by International Center for Students and Scholars to carefully read STEM OPT Hub at <https://studyinthestates.dhs.gov/stem-opt-hub> to fully understand STEM OPT eligibility and my responsibilities for maintaining F-1 status during my STEM OPT extension. I understand it is my responsibility to keep a record of what I report to IC. If I have any questions or concerns, I can email IC at opt@bridgeport.edu. I must comply with the following:

Applying

- USCIS must RECEIVE my OPT application within 60 days of the I-20 issuance date, or on or before my 12-month OPT expiration date, **whichever comes sooner**. If I hold on to the I-20 and send it late to USCIS, **my OPT will be denied**.
- It is my responsibility to check all my documents to make sure they are filled out correctly before I send it to USCIS.
- Check my name and OPT dates when I receive my OPT receipt, approval notice and EAD card. If I find an error, I must contact USCIS through e-Request at <https://egov.uscis.gov/e-Request/Intro.do> or by calling 1-800-375-5283 immediately.
- I have the ability to monitor my OPT application case status at <https://egov.uscis.gov/casestatus/landing.do>
- Upload a scanned copy of the receipt notice, approval notice and EAD card to <https://webforms.bridgeport.edu/ic/24month-stem-opt/> once I receive them.

Employment and Unemployment Limit

- If I applied for STEM OPT with USCIS in a timely manner, I can continue to work while my application is pending until a final decision is made on my application or it has been pending 180 days, **whichever comes sooner**.
- I must work **at a minimum** 20 hours per week per job if I have multiple employers. All of my employers must be E-verified and I must complete a Form I-983 Training Plan with each employer.
 - **If I use a staffing or temporary agency that places me in short-term training opportunities with one or several different employers, I will need to complete a new Form I-983 for every new training opportunity with each employer.**
- ALL my jobs must be DIRECTLY related to my major.
- I **CANNOT** be without work for more than 150 days during the entire OPT period of 36 months (12-month post-completion OPT + 24-month OPT extension)
- I understand that it is my responsibility to keep track of my unemployment time.

Reporting Employment and Changes/Updates to Employment

- I am required to report any employment changes/updates including unemployment within 10 days of such change.
- I must report the loss/end of employment by submitting a Form I-983 with a self-evaluation with my previous employer.
- I must report and submit a new Form I-983 with the new employer or update with current employment through forms.bridgeport.edu for DSO review **before I start the new employment**.
- I must report and submit a modified Form I-983 to forms.bridgeport.edu if there are any material changes to, or material deviations from, my formal training plan Form I-983, which may include, but are not limited to:
 - Any change of the employer's EIN.
 - Any reduction in my compensation that is not tied to a reduction in hours worked.
 - Any significant decrease in hours per week that I engage in a STEM training opportunity.
 - Changes to the employer's commitments or my learning objectives as documented on the Form I-983

Other Reporting

Address

- Within 10 days, notify SEVP of the following changes through the SEVP Portal. Information about the SEVP Portal is available at <https://studyinthestates.dhs.gov/sevp-portal-help>:
 - Name, Telephone number and Residential address
 - **If my STEM OPT is pending and the address on my Form I-765 has changed, I will also contact USCIS by reporting address through their website at <https://www.uscis.gov/addresschange>**

Validation Report

- During 24-month OPT extension, I must make a VALIDATION REPORT to IC through forms.bridgeport.edu every six months:
 - The reporting must be done every six months from the date the STEM OPT begins and until it ends.
 - Report through forms.bridgeport.edu (select 24-month STEM OPT Form, then 6/12/18/24 Month Validation Report and 12/24 Month Evaluation)
 - Report within 10 days of every 6 months
 - If I fail to report, my SEVIS record may be automatically terminated by SEVP.
 - I understand that I am responsible to keep track of when I should be reporting to IC.
 - I understand that it is NOT International Center's responsibility to send me reminders.

Evaluations

- My employer(s) and I must sign my annual self-evaluation within 12 months and a final evaluation that recaps all the training and knowledge acquired during the complete training and submit the Form I-983 to IC through forms.bridgeport.edu.

Departure from the U.S.

- If I choose to leave the U.S. permanently during my OPT period, I must let IC know by emailing opt@bridgeport.edu.

SEVIS Termination or Cancellation

- I understand that the following reasons could lead to my OPT termination or cancellation:
 - I exceeded the employment limit.
 - I transfer to another school or begin study at another educational level.
 - I change my non-immigrant status to another category and the start date is in effect.
 - Traveling outside the U.S. for 5 months or more will lead to violation of my F-1 status and cancellation of my OPT.

Travel

- If I travel outside the U.S. during my STEM OPT period, I must submit a completed and signed OPT Travel Signature Request form through forms.bridgeport.edu. I need the following to travel outside the U.S. during STEM OPT:

 - Valid Employment Authorization Document (EAD card)
 - Valid F-1 visa and passport
 - Proof of employment (letter of permission for travel from employer with specific travel dates)
 - If my 12-month OPT has expired and my STEM OPT extension is pending, I cannot travel outside the U.S.

Student Statement

- **I have carefully read the entire Student Statement and am fully aware of my reporting responsibilities during the 24-month STEM OPT.**
- **I will make sure to check IC's website (ic.bridgeport.edu→Employment →F-1 Stem OPT) and its FAQs section frequently so I am current with all the information that I need to know about my F-1 status while I am on STEM OPT.**
- **I understand it is my responsibility to keep a record of what I report to IC. If I have any questions or concerns, I can email IC at opt@bridgeport.edu.**
